

Identifying People

**WHICH CHILDREN
DO YOU WANT
AND NEED TO
ENGAGE WITH?**

- *Which children are most involved in and/or affected by your program?*
- *Which children could be more involved in and/or affected by your program in future?*
- *Which children do you normally not hear from?*
- *How can you ensure you're hearing diverse voices and perspectives?*
- *How old are the children you want to engage with?*
- *How many children do we want to engage with? Why?*
- *Where/ how are those children interacting with the program in your community?*

**WHO MIGHT BE
BEST PLACED TO
REACH AND
ENGAGE WITH
THOSE
CHILDREN?**

- *Who has existing relationships with them/ engages with them already?*
- *Who has 'cultural authority' in the community around engaging with kids?*
- *Who has the time and capacity to be involved?*
- *Who might we not normally engage with, but that could be really important/ valuable to involve?*
- *Who might we need to partner with to conduct different parts of the process (ie. Identifying children, setting up activity, recording feedback, compiling data, facilitating sense-making etc.)*
- *What might your role/s be in the process?*
